Full Stack Web Developer

+92 321 000 4342 | areebdeveloper1150@gmail.com | areeb-developer.netlify.app

Profile

Creative and highly motivated Full Stack Developer with strong expertise in the MERN stack. Known for building sleek, responsive, and high-performance web apps with a special eye for Apple-like UI design. I specialize in turning ideas into real digital products that work smoothly and look stunning. Looking to collaborate with international startups, SaaS businesses, and founders who need someone fast, reliable, and creative.

Work Experience

MERN STACK DEVELOPER INTERN — EXCELLENCE CODE SOLUTION (ECS)

April 2023 – Present

- Contributed to full-stack projects and collaborated with senior developers.
- Helped improve UI of internal dashboards and solved real backend problems.
- Learned and implemented professional workflows (Git, bug tracking, code reviews).

Projects

- Whisper – Real-time Chat App — React, Node.js, Socket.IO — Apple-style messaging UI with dynamic popup windows
- Print Dashboard – Admin UI (In Progress) MERN-based order management dashboard with multi-step forms and live status filters.
- ECS Client Dashboard – Worked as a MERN intern on internal client dashboards and admin panels.

Education

- Matric (10th Grade) – Pakistan
- Certified Full Stack Developer – PNY Trainings, 2024

Languages

English (Proficient) • Urdu (Native)

Skills

- **Frontend:** React.js, Tailwind CSS, Bootstrap, AOS, Framer Motion
- **Backend:** Node.js, Express.js, MongoDB, REST APIs
- **Others:** Git, Postman, Firebase, Stripe, PayPal Integration

Let's build something bold together.

I'm available for freelance, remote roles, or startup collabs where design and speed matter.
